SIR

In forwarding herewith the correspondence ending with Hassan Town Municipal President's report No 94, dated 11th August 1936, in the matter of exempting him from payment of Motor Vehicle Tax in respect of the Car maintained by him, I have the honor to state as follows -

2 The President says that he has maintained a car, which he makes use of for his executive work as Municipal President, that under the Vehicle Tax Bye-Laws of the Municipality, sanctioned by Government in their Order No 6147/MI 123-16-10, dated 21st March 1917, his vehicle had been exempted from payment of tax, that consequent on the introduction of the Road Traffic and Taxes Regn the Municipal Council ceased to levy vehicle tax on Motor Vehicles with effect from 1st January 1936, that, therefore he has to pay vehicle tax in respect of his car to Government, and requested that either a recommendation might be made to the Central Board to exempt him from payment of the vehicle tax or to obtain the sanction of Government to meet the tax out of the funds of the Municipality as the maintenance of a car by him was very necessary for the discharge of Municipal work He also added that he was not being paid any conveyance allowance

3 This letter was returned to the President, stating that

if the exemption provided for by the Bye-Laws had become inoperative and in case the Municipal Council agree to bear the vehicle tax at Rs18/- per half year, in view of the honorary work done by the President, Government would be addressed in the matter

4 The President has resubmitted the correspondence, with a copy of the resolution of the Council, passed at their meeting held on 25th July 1936, to the effect that Government might be moved to amend the Rules so as to provide exemption to the Presidents of all the Municipal Councils in the State, from paying the tax

5 In this connection, I invite kind reference to para 25 (b) of the Motor Vehicle Rules under the Road Traffic and Taxes Regulation, issued with Government Notification No P 3812-Legis 4635, dated 11th December 1935, which provides for the exemption of Motor Vehicles belonging to Local Bodies used exclusively for public purposes, from payment of vehicle tax, and request you to be so good as to obtain the orders of Government on the resolution of the Municipal Council, in view of the fact that such exemption had been provided for by the vehicle tax Bye-Laws of the Municipality

Sir,

I have the honor to state that I have maintained a motor car in connection with the discharge of the executive duties of the Municipal Council and that under the bye-laws framed by the Municipal Council and sanctioned by Government in their order No 6147/A 1 123-16-10 dated 21st March 1917, I have been exempted from payment of the mohatarfa tax

With the introduction of the Road Traffic and Taxes Regulation with effect from 1st January 1936 the levy of the tax in the Municipality ceased, but the vehicle has to be registered in accordance with the Regulation referred to above

I may mention in this connection that the area of the Municipality is fairly big and that it is very essential for me to maintain a car for the discharge of the executive functions of the Municipality

I therefore request you to kindly move the central board constituted under the said Traffic Regulation to exempt me from payment of the prescribed fees to Government and register the vehicle under the Road Traffic and Taxes Regulation or to obtain sanction of Government to meet this item of expenditure out of Muni-

cipal Municipal funds as the car is solely maintained for purposes of Municipal Administration and I am not allowed any conveyance allo ance

I have the honor to be,

Sir,

Your most obedient servant

President,
Town Municipal Council,
Hassan.
